You would like to apply via uni-assist for a course of studies at one of our universities? If so, please use the online portal. This will tell you about everything you need to do.

**A tip from us: First the university, then visit uni-assist:**

- First, find out from the universities about the criteria and time limits for applications for the study programme.
- Find out from the universities, which application forms and which documents you have to submit, and in what form these should be.
- Send your documents as early as possible to uni-assist, at least eight weeks before the end of the university's time limit for applications.

Here you will find a list of the uni-assist universities.  
**Please note:** We can only check your documents, once you have paid the handling fee.

Would you like to apply for a master's course? All information on the master's course is available [here](#).

**SUBMIT APPLICATIONS**

**Register yourself in the uni-assist online portal, select the university and your preferred course and file your application.**

**Send the application online to uni-assist.**  
 Make sure that you have indeed carefully answered all the basic questions in the application. Please try to

#### Important notice:

An online application on its own is not sufficient in most cases. You also need to send a copy in paper form. If you are not sure of what to do, please ask your chosen university if you need to send a paper copy as well.

#### How do I proceed?

For each study course that you wish to apply for, please send a printed and personally signed application together with all required documents to uni-assist by post. Please contact the university for information on the format and range of documents required.

If any universities ask for officially authenticated copies, then a simple file upload is not sufficient. All uploads - including uploads of authenticated copies - will be treated as simple colour copies. The seal of authentication must be sent to uni-assist in its original form!

The signed application and all required paper documents must reach uni-assist by the end of the application deadline. Write the name of the university you are applying for in the top line and below the address:

(name of the university)  
c/o uni-assist e.V.  
11507 Berlin  
GERMANY

- ☒ I have read the important notice and checked all the information that I have provided in my application form. I would now like to send this application bindingly to Uni-assist e. V. for processing.
- ☒ Yes, I do accept the current terms and conditions (AGB) and the therein included data protection regulations of uni-assist.

Please print a separate form for each course you wish to apply for, since the questions regarding each course can vary.

Send the printed and signed form together with all the required paper documents to uni-assist by post (unless the university accepts simple uploads).

Information regarding the scope and format of the required documents can be obtained from the university. For most universities, a simple online upload is not sufficient.

The signed form and all required paper documents must reach uni-assist before the application period expires.

در مرحله بعد باید هزینه رو پرداخت کنین. هزینه باید قبل از به اتمام رسیدن ددلاین پرداخت شه. برای دانشگاه اول هزینه ۷۵ یور و برای دانشگاه بعدی ۱۵ یورو هست. پس اگه برای سه تا دانشگاه اقدام می کنین میشه ۱۱۵ یورو. برای پرداخت هزینه از ادمین ها یا بچه های توی گروه پرسین، راهنماییتون می کنن. بعد از پرداخت هزینه، مدارکتون رو که یک سری کپی تایید شده هست رو به اضافه سایر مدارک مثل انگیزه نامه، مدرک زبان، رزومه و غیره می فرستین. توجه کنین که اگه برای بیشتر از یک دانشگاه اقدام کردین، برای هر کدوم یک انگیزه نامه جدا بذارین تو پاکت و مشخص کنین که کدوم انگیزه نامه برای کدوم دانشگاه یا کدوم رشته هست. برای اپلیکیشن فرم هم همین داستان برقراره. روی پاکت پستی تو بخش آدرس اسم یکی از دانشگاههایی که براش اقدام کردین رو اول می نویسین، بعد آدرس اسپیست رو اضافه می کنین. اگه بعدا تصمیم بگیرین که برای دانشگاه دیگه ای اقدام کنین، می تونین اپلیکشین فرم و انگیزه نامه رو بعدا تو سایت آپلود کنین و بعدش پست کنین.
